How Your Membership Works

After you've chosen your level of membership, you will receive acknowledgement of your donation by mail. But because we want to afford our members flexibility in scheduling which performances to attend, you won't receive paper tickets in the mail. You will receive a reminder before each performance and you can call the box office one week before the general audience to reserve your seats for the performances of your choice. Your tickets will be waiting for you at the door when you arrive for the show.

Why we are here....

With a focus on community service, the mission of the Sumter Little Theatre is to provide entertainment through exemplary community theatre productions, and theatre education through an after school program for young people in Sumter and the surrounding counties.

Theatre training channels creative energy in a positive direction. Our youth theatre program offers young people the opportunity to participate in and learn from the power of artistic expression. Through this creative approach to learning, every child is given the opportunity to succeed on his or her terms.

The Sumter Little Theatre takes the theatrical arts in the Sumter area to a higher level. Our goal is to expand the scope and variety of the plays and musicals we produce each year while maintaining the high quality our audiences have come to appreciate and expect.
